

Share your photos with the Iron Warriors MC on Photobucket.

visit <http://photobucket.com/> and create a free account. Remember your information!

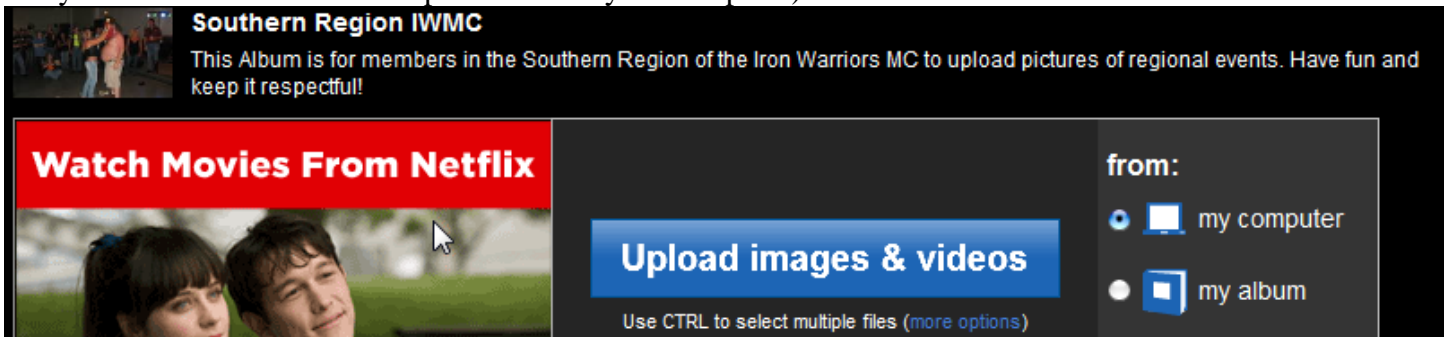

once you have your photobucket.com account set up, follow the next set of instructions:

Visit the IWMC Nation web site: click on the PHOTOS link

Choose your region to visit your regional album or other special albums.

If you would like to share pictures in your regional album, please do so.

1. Next to the Group Album Title-Click on the 'button' that says 'add photos and video to this group'. Note the message under the button that says *Use CTRL* to select multiple files (the CTRL button is on your keyboard, and you can use it to select multiple files from your computer)

4. Follow instructions for uploading your photos from your computer, etc.

3. Photos will be approved by *iwmcnation* before they will appear for everyone's viewing. Have fun and keep it clean.
